[Pursuant to Section 102 of the Companies Act, 2013]

ITEM NO.3: TO APPOINT M/S. AAKANKSHA DUBEY & Co., PRACTICING COMPANY SECRETARIES AS SECRETARIAL AUDITORS FOR A TERM OF UPTO 5 (FIVE) CONSECUTIVE YEARS.

Pursuant to the amended provisions of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR Regulations') vide SEBI Notification dated December 12, 2024 and provisions of Section 204 of the Companies Act, 2013 ('Act') and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Audit Committee and the Board of Directors at their respective meetings held on May 28th, 2025 have approved and recommended the appointment of M/s. Aakanksha Dubey & Co, Peer Reviewed Firm of Company Secretaries in Practice (Firm Registration Number: S2025TS1021000) as Secretarial Auditors of the Company for a term of upto 5 (Five) consecutive years to hold office from Financial Year 2025-26 to Financial Year 2029-30 and issue Secretarial Audit Report for Financial Years ending 31st March 2026, 31st March 2027, 31st March 2028, 31st March 2029 and 31st March 2030:

- a. **Term of appointment:** Upto 5 (Five) consecutive years from Financial Year 2025-26 to Financial Year 2029-30.
- b. **Proposed Fee:** Rs. 1,00,000/- p.a. (Rupees One Lakh only), plus applicable taxes and other out-of-pocket costs incurred in connection with the audit for Financial Year ending March 31, 2026 and for subsequent year(s) of their term, such fee as determined by the Board, on recommendation of Audit Committee.

The proposed fee is based on knowledge, expertise, industry experience, time and efforts required to be put in by them, which is in line with the industry benchmark. The fees for services in the nature of certifications and other professional work will be in addition to the secretarial audit fee as above and will be determined by the Board in consultation with the Secretarial Auditors and as per the recommendations of the Audit Committee.

- c. **Basis of recommendations:** The recommendations are based on the fulfilment of the eligibility criteria & qualification prescribed under the Act & Rules made thereunder and SEBI LODR Regulations with regard to the secretarial audit, experience of the firm, capability, independent assessment, audit experience and also based on the evaluation of the quality of audit work done by them in the past.
- d. **Credentials:** M/s. Aakanksha Dubey & Co. (Firm Registration Number: S2025TS1021000) ('Secretarial Audit Firm'), established in the year 2025, is a newly registered firm with Ms. Aakanksha Sachin Dubey being the proprietor specialized in Secretarial Audit and other corporate law matters. The firm is registered with the Institute of Company Secretaries of India. The Firm also holds a valid Peer Review Certificate.

M/s. Aakanksha Dubey & Co. have given their consent to act as Secretarial Auditors of the Company and confirmed that their aforesaid appointment (if made) would be within the prescribed limits under the Act & Rules made thereunder and SEBI LODR Regulations. They have also confirmed that they are not disqualified to be appointed as Secretarial Auditors in terms of provisions of the Act & Rules made thereunder and SEBI LODR Regulations.

- e. **Any material changes in the fee payable to such auditor from that paid to the outgoing auditor along with the rationale for such change:** There is no material change in the fee payable to M/s. Aakanksha Dubey & Co., compared to that of the outgoing auditor and the reason for change is based on eligibility criteria & qualification prescribed under the Act & Rules made thereunder and SEBI LODR Regulations.

None of the Directors, Key Managerial Personnel (KMP), or their relatives have any financial or other interest in the proposed resolution.

The Board recommends the Ordinary Resolution as set out in Item No. 3 of this Notice for approval of the Members.

Management Discussion and Analysis Report
For the Financial Year 2024–2025 (April 1, 2024 – March 31, 2025)

1. Overview

The financial year 2024–25 has been challenging for your Company, reflected in the underperformance compared to the previous year. Despite the downturn, the Company remains committed to pursuing growth opportunities and is actively exploring new avenues for business expansion, particularly in IT and IT-enabled services (ITES). Encouragingly, the Company has continued to receive orders from various government entities, indicating a stable potential for future engagements.

2. Industry Structure and Developments

The Company operates across multiple sectors, including:

- Business Support Services
- Financial Investments
- Real Estate

In Business Support Services, the Company caters to government, semi-government, and private sector clients. It is actively working to expand its client base, particularly in software and e-Governance solutions.

In Financial Services, the performance has remained satisfactory despite market volatility.

The Real Estate segment, especially in Telangana, has been adversely affected by market slowdowns. Accordingly, the Company has decided to adopt a wait-and-watch strategy for this segment until market conditions improve.

3. Opportunities and Threats

The Indian Government's National e-Governance Plan (NeGP) provides a long-term growth opportunity for companies engaged in IT and ITES. The ongoing digital transformation efforts across central and state governments continue to open up significant prospects in the e-governance domain.

Opportunities:

- Growth of digital governance initiatives
- Increased demand for remote working infrastructure and IT solutions
- Scope in public sector digitization for the next two decades

Threats:

- Changes in government policies or regulations
- Economic uncertainties and market volatility
- Project delays or payment issues from public sector clients

4. Segment-wise or Product-wise Performance

The Company has identified the following as primary reportable segments:

- IT & ITES
- E-Governance Projects
- Business Support Services
- Financial Investments
- Real Estate

5. Outlook

The Company remains optimistic about its future prospects:

- **Business Support Services:** Continued participation in government and private tenders is yielding consistent work. The Company is also attracting new clients while retaining existing ones.
- **Financial Sector:** Due to market volatility, investments are being made cautiously, with proper research and due diligence.
- **Real Estate:** The Company has made selective investments while awaiting market recovery.

6. Risks and Concerns

The Company faces the following risks:

- Adverse changes in government policy, especially in financial services and e-governance sectors
- Market volatility affecting share valuation and returns
- Prolonged stagnation in real estate markets

7. Internal Control Systems and Their Adequacy

The Company has instituted comprehensive internal control systems that ensure:

- Safeguarding of assets
- Prevention of unauthorized use or disposal
- Proper authorization of transactions and accountability

8. Financial Performance vs Operational Performance

Particulars	FY 2024–25	FY 2023–24
Total Income	₹166.65 Lakhs	₹723.72 Lakhs
Net Profit/(Loss)	(₹54.84 Lakhs)	₹444.57 Lakhs

The significant decline in income and profitability is attributed to the steep fall in market value of shares and overall adverse economic conditions during the year.

9. Human Resources and Industrial Relations

There have been no material developments in human resources or industrial relations during the year.

Particulars	FY 2024-25	FY2023-24

Net Profit Margin (%)	-35%	142%	Substantial decline in investment returns
Return on Net Worth (%)	-1.62	1.08	Result of losses due to market downturn

Note: Inventory Turnover, Interest Coverage Ratio, and Debt-Equity Ratio are not applicable or not material for reporting.

11. Disclosure of Accounting Treatment

During the preparation of Financial Statements of F.Y. 2024-25 the treatment as prescribed in Accounting Standards have been followed by the Company. There is significant changes in Accounting Treatment as followed by the Company in current financial year as compared to previous financial year except as stated hereunder.

The Company has reassessed the classification of certain equity investments previously presented under Non Current Investments and measured at Fair Value Through Other Comprehensive Income (FVTOCI). Based on the revised assessment, it was determined that these investments are held for trading and, therefore, should be classified as Current Investments and measured at Fair Value Through Profit or Loss (FVTPL), in accordance with the principles of Ind AS 109-Financial Instruments.

Investment in shares which was previously shown under Non Current Investment is reclassified into current investments in the current financial year considering the nature of investments.

12. Cautionary Statement

Statements in this report describing the Company's objectives, projections, estimates, and expectations may be forward-looking within the meaning of applicable laws and regulations. Actual results may differ materially due to various economic conditions, government policies, and other unforeseen factors beyond the Company's control.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 6 of the Financial statements where the Company has reassessed the classification of certain equity investments previously presented under Non-Current Investments and measured at Fair Value Through Other Comprehensive Income (FVTOCI). Based on the revised assessment, it was determined that these investments are held for trading and, therefore, should be classified as Current Investments and measured at Fair Value Through Profit or Loss (FVTPL), in accordance with the principles of Ind AS 109 - Financial Instruments. Investment in shares which was previously shown under Non Current Investment is reclassified into current investments in the current financial year .considering the nature of investments.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended 31st March, 2025. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report, but does not include the Financial Statements and our auditor's report thereon. Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Financial Statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing(SAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Management, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

 - b. provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether,
- a. directly or indirectly, lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or
 - b. provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on the audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us believe that the representations under sub-clause (a) and (b) contain any material misstatement
- v. The company has not declared any dividend during the year.
3. The reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1st April 2023.

Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Annexure - B to the Auditor's Report

(Referred to in paragraph 2 (f) under "Report on Other Legal and Regulatory Requirements" section of our report to the members of BNR Udyog Limited.)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of BNR Udyog Limited ("the Company") as of 31st March, 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Managements Responsibility for Internal Financial Control

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting

principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established for the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Financial Statements

Note General Information

I Corporate information

BNR Udyog Ltd (the Company) was incorporated on 29th November, 1994 as a Public Limited Company. The Company is engaged in the business of Business Support Service, Financial Activities/Others and Medical Transcription/Information Technology (IT)/Information Technology enabled Services (ITES).

II Material Accounting Policies

i. Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies Accounting Standard (Amendment Rules 2016).

ii. Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments (Equity Investment) that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such basis, except for measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2.

iii. Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, The management believes that the estimates used in preparation of financial statements are prudent and reasonable.

iv. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:

- (i) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- (ii) Held primarily for the purpose of trading.
- (iii) Expected to be realised within twelve months after the reporting period, or

- (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- (i) It is expected to be settled in normal operating cycle
- (ii) It is held primarily for the purpose of trading
- (iii) It is due to be settled within twelve months after the reporting period, or
- (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The company classifies all other liabilities as non-current.

v. Foreign currency transactions and balances

Transactions in foreign currencies are initially recorded by the Company's entities at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

INR is the functional currency and also the reporting currency.

vi. Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

vii. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company recognizes revenue from trading in equity shares classified as Financial Assets at Fair Value Through Profit or Loss (FVTPL) in accordance with Ind AS 109 – Financial Instruments. These financial instruments are initially recognized at fair value and subsequently measured at fair value at each reporting date. Changes in the fair value of such financial assets, including both realized and unrealized gains or losses, are recognized in the Statement of Profit and Loss under “Net Gain/(Loss) on Fair Value Changes”.

viii. Taxes**Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income (OCI) or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- (i) When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- (ii) In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credit and unused tax losses can be utilized except:

- (i) When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- (ii) In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

ix. Property, plant and equipment

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, non refundable taxes and directly attributable cost of bringing the asset to its present location and condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

The Company has elected to regard the carrying values of freehold buildings as deemed cost since they were broadly comparable to fair value. Depreciation on tangible assets has been provided on the straight line method as per useful life prescribed in schedule -II to the Companies Act, 2013.

Subsequent cost

Subsequent costs incurred for replacement of a major component of an asset should be included in the asset's carrying cost or recognised as a separate asset, as appropriate. The carrying value of the replaced component should be charged to Profit and Loss account when replaced.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

x. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

xi. Retirement and other employee benefits

Employee benefits include provident fund, employee state insurance scheme, gratuity fund and compensated absences.

Defined contribution plans

Post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund) and the company does not have any legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. i.e. risk is transferred to the insurance company.

xii. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets**Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- (i) Debt instruments at amortised cost
- (ii) Debt instruments at fair value through other comprehensive income (FVTOCI)
- (iii) Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- (iv) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's consolidated balance sheet) when:

- (i) The rights to receive cash flows from the asset have expired, or
- (ii) The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - (a) the company has transferred substantially all the risks and rewards of the asset, or
 - (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability.

The difference in the respective carrying amounts is recognised in the statement of profit or loss.

xiii. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash.

Net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

xiv. Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

xv. Impairment of assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

Note 2.10: Financial instruments

i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows :

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates.

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

- ii) The Company has not been declared as wilful defaulter by any bank or financial institution
- iii) The Company does not have any transactions with struck off companies.
- iv) The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall: (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- v) The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) subject to the matters described below that the Company shall: (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or (b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

As per provisional attachment order No.6 of 2022 issued under section 5(I) of the Prevention of Money Laundering Act, 2022 made by Enforcement Directorate on 8th March 2022 (ECIR/14/HYZO/2021), Enforcement Directorate has alleged that the investment in the Company by Karvy Stock Broking Limited (KSBL), is out of the proceeds of crime. KSBL and the Company have appealed to relevant authorities and the matter is pending for disposal. Given the ongoing proceedings, we are unable to ascertain the financial impact, if any on account of these proceedings, on the company's financial statements at this stage.

- vi) The Company has not entered in to any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
- vii) The title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment and capital work-in-progress are held in the name of the Company as at the balance sheet date.
- viii) The Company have not traded or invested in Crypto currency or Virtual currency during the financial year.
- ix) The Company has not revalued its property, plant and equipment during the financial year 2024-25
- x) No additional loans were taken in the current or previous financial year, and no charges or satisfactions remain unregistered with the ROC beyond the statutory period.

- xi) There is no non-compliance with the number of layers prescribed under section 2(87) of the Companies Act, 2013 read with Companies (Restriction on number of layers) Rules, 2017.
 - xii) No dues from directors or officers are outstanding and included in trade receivables under Note No. 5
 - xiii) The company uses an accounting software which have the feature of audit trail in accordance with the requirements of Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - xiv) Company has not created any provision for interest on overdue amounts payable to MSME's in compliance to notification dated 22.01.2019 issued by the Ministry of Corporate affairs (MCA), and therefore the same was not included in closing balance of outstanding dues to MSME's as on 31st March, 2025
 - xv) Certain comparative figures for the previous year have been reclassified to confirm to the current year's presentation, in accordance with the requirements of Ind AS 1 – Presentation of Financial Statements and in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, the financial statements have been retrospectively restated. The nature, amount, and reason for such reclassifications.
- A) During the financial year 2024–25, the Company has reassessed the classification of certain equity investments previously presented under Non-Current Investments and measured at Fair Value Through Other Comprehensive Income (FVTOCI). Based on the revised assessment, it was determined that these investments are held for trading and, therefore, should be classified as Current Investments and measured at Fair Value Through Profit or Loss (FVTPL), in accordance with the principles of Ind AS 109 – Financial Instruments.

As a result, an amount of ₹280.00 lakhs has been reclassified from Non-Current Assets to Current Assets in the financial statements for the year ended 31 March 2025. This reclassification is consistent with the requirements of Ind AS 1, which mandates the separate presentation of items of dissimilar nature or function, and Ind AS 8, which requires changes in classification to be accounted for retrospectively where relevant.

The impact of this reclassification on the current year's financial statement presentation is as follows:

Non-Current Assets as previously presented: ₹563.78 lakhs

Less: Reclassified Non-Current Investments: ₹280.00 lakhs

Revised Non-Current Assets: ₹283.78 lakhs

Current Assets as previously presented: ₹437.33 lakhs

Add: Reclassified Current Investments: ₹280.00 lakhs

Revised Current Assets: ₹717.33 lakhs

These investments were previously classified under the Fair Value Through Other Comprehensive Income (FVOCI) category as per Ind AS 109 – Financial Instruments. Upon reclassification, the cumulative gain/(loss) of Rs. (10.22) lakhs, previously recognized under Other Comprehensive Income (OCI), has been transferred to the Statement of Profit and Loss, in line with the derecognition and reclassification requirements of Ind AS 109.

- B) During the year, the Company has reclassified specific items previously presented under "Other Financial Liabilities" to "Other Current Liabilities", considering the nature of these items and the classification principles under Ind AS.

In the previous year, "Other Financial Liabilities" included Statutory Dues payable amounting to ₹1.68 lakhs and Income Tax payable amounting to ₹71.49 lakhs. These items have been reclassified to "Other Current Liabilities" as they are statutory liabilities.

Accordingly, the balance of "Other Financial Liabilities" for the previous year has been reduced from ₹74.14 lakhs to ₹0.98lakhs after reclassification.

These reclassifications have no impact on the profit, total assets, or equity of the Company for the comparative period and are intended solely to align the presentation with the current year's classification for better comparability.

- C) During the current financial year, certain Fixed Deposits (FDs) with original maturity of more than 3 months but less than 12 months, previously classified under "Bank Balances other than Cash and Cash Equivalents," have been reclassified to "Current Investments." This reclassification has been carried out to align the presentation with the intended purpose and nature of these deposits, i.e., being held primarily for investment purposes.

This change in classification does not impact the total assets or net profit of the entity for the year. The comparative figures have been regrouped/reclassified wherever necessary to conform to current year's presentation.

NOTES ON ACCOUNTS FOR THE YEAR ENDED MARCH 31, 2025

(ALL AMOUNTS ARE IN LAKHS, UNLESS OTHERWISE STATED)

Note. 23: Financial risk management:

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimise potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors are responsible for overseeing the Company's risk assessment and management policies and processes.

a.) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company's credit risk arises from accounts receivable balances. Accounts receivable balances outstanding as on reporting date amount to 16.54 lakhs which pertains to the amount receivable from a non related party.

The finance function of the Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics.

Based on business environment in which the Company operates, a default on a financial asset is considered when the counterparty fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience, past experiences where it believes there is high probability of default and considering differences between current and historical economic conditions. In general all the trade receivables greater than 365 days are reviewed and provided for by analysing individual receivable.

Refer below given ageing of trade receivables.

Not due	-	-
0-180 days	10.36	35.72
More than 180 days	0.59	4.98
More than 365 days	5.59	2.99
Total	16.54	43.69

b.) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Contractual maturities of financial liabilities

The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying amounts as the impact of discounting is not significant.

c. Market risk-foreign exchange

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk. Financial instruments affected by market risk include borrowings, deposits, trade receivables and other financial instruments. The sensitivity analyses in the following sections relate to the position as at 31st March 2025 and 31st March 2024. The analyses exclude the impact of movements in market variables on the carrying values of gratuity and other post retirement obligations, provisions and non-financial assets and liabilities.

d. Interest rate risk

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. As at 31st March 2025, the Company is not exposed to any risk pertaining to the changes in market interest rates.

The Company's exposure to interest rates on financial instruments is detailed below:

Particulars	As at 31st March, 2025	As at 31st March, 2024
Variable rate borrowing	-	-
Fixed Rate Borrowing	-	-
Total interest rate dependent financial Liabilities	-	-

e. Price Risk

The Company is exposed to fluctuations in share price arising on purchase/ sale of shares. The Company has a risk management framework aimed at prudently managing the risk arising from the volatility in commodity prices. The Company's commodity risk is managed centrally through well-established trading operations and control processes.

Capital Management

The Company's objective for capital management is to maximise shareholder value, safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders and maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.
